

## Maths Hub and MEI collaboration case study: Central Maths Hub and North West 1 Maths Hub

### Who we are

We are the [Central Maths](#) Hub led by Bishop Challoner Catholic College, Birmingham and [North West 1](#) Maths Hub led by Altrincham Grammar School for Girls (AGGS) Teaching School Alliance.

### What is happening?

We are entering our fourth year of hosting a cohort of MEI's Teaching GCSE Mathematics ([TGM](#)) course.

<b>Benefits to the participating teachers:</b>	<b>Benefits to our lead school and our Hub:</b>
<ul style="list-style-type: none"><li>• collaborate and learn alongside teachers from the other cohorts of this nationwide course</li><li>• access to research-based pedagogy and subject knowledge enhancement</li><li>• extensive support through regular online sessions and a bank of online resources written specifically for course participants</li><li>• affordable sustained PD through MEI's not-for-profit pricing</li><li>• ongoing relationship with our Hub and support through our network</li></ul>	<ul style="list-style-type: none"><li>• a national profile</li><li>• a course that meets a clear local need</li><li>• strengthens our reputation as a leading provider of high quality PD</li><li>• engages with a wider range of schools in our Hub</li><li>• establishes relationships with teachers whom we can continue to support</li><li>• excellent PD for the host school teachers who provide ongoing support for course participants</li></ul>

### What next?

If you are interested in finding out more about hosting similar professional development courses at your Hub please contact MEI's Programme Leader for Teacher Support, Bernard Murphy [Bernard.Murphy@mei.org.uk](mailto:Bernard.Murphy@mei.org.uk)
